broken pieces putting the pieces back together everything happens for a reason it s your choice on how to make things work for you

we quickly give men our hearts when they have done nothing to earn them the right to handle such a precious gift what is it that causes us to walk away from the things of god do we believe that god s standards are too high i refused to put my hope in statistics or in whether or not i was too old or whether or not all the good ones were taken gay or in prison my hope continued to rest in god s sovereignty over my life there was a preparation process before god brought me and my husband together because although i knew how to be a godly single woman i had no clue as to what it meant to be a godly wife my hope was in

his ability to not only transform me into a wife one who is adaptable and complimentary to my husband but to orchestrate and align our paths to where we would one day come together and be united in marriage

all the broken pieces is a contemporary romance novel and the third interconnected standalone novel in the broken series due to coarse language and graphic sexual situations this book is not intended for individuals under the age of 18 how far would you be willing to go for someone you love for lauren caldwell the answer was as far as necessary she had done what she had to do to protect the one person who meant the most to her in the world her uncle she wasn't proud of herself but in the end she had protected him just as he'd always protected her a year later a year of being ostracized in the small virginia town she called home she found herself helplessly watching her worst nightmare unfold she was alone until a stranger became a friend who became the glue that might finally piece together the jagged fragments of her life of her heart how far would you be willing to go for someone you love brant matthews never wanted to fall in love again he had worked diligently to avoid emotional entanglements at all costs he knew what it was to lose the one you loved to fail them so irrevocably that the entire trajectory of your life shifted but seeing the broken look in lauren's crystal blue eyes feeling that old pain flare anew and knowing from experience exactly how much she was hurting he never stood a chance she had him whether she was ready to accept that or not and when her childhood tormentor set his sights on her once more brant knew exactly how far he would go to keep her safe he would die for her or kill for her there would be no middle ground
